

Contact from abroad

To the schools that can connect with us online

The goal of our project is “To foster the skills to becoming global facilitators: a contributor to local societies with **global networks**.” If your school has the interest to collaborate on joint projects, please contact us. (sgh-naga@sgh-naga.no.com)

What is the Nagano Glocal Project(NGP)

The Nagano Glocal Project is the successor to the Super Global High School project (SGH, 2014–2018). This successor project started in 2019 as designated by the Ministry of Education, Culture, Sports, Science, and Technology (MEXT). Its official name is 地域との協働による高等学校教育改革推進事業<グローバル型> (The Promotion of High School Education Reform Through Collaboration with Local Communities.<Glocal category>)
